INFORMS:

That today, its indirect subsidiary CEMEX Colombia S.A. (Cemex Colombia) filed before the Administrative Tribunal of Cundinamarca a nullity and redress action against Resolution No 81391 of December 11, 2017 issued by the Superintendence of Industry and Trade whereby such entity imposed a penalty in the amount of COP73,771,700,000 (US25,362,604) for the behavior consisting in an alleged agreement for fixing grey cement prices in the domestic market, which was paid in January 5, 2018, as informed to the market.

CEMEX Colombia believes it has the legal and economic arguments proving its correct performance, for which reason it expects that the Administrative Tribunal of Cundinamarca will assess and accept them, in order to annul the aforementioned Resolution and order the restitution of the penalty paid with such adjustments provided by the Law. As previously informed, the process of these legal actions may take some time in being resolved.
