**CEMEX LATAM HOLDINGS, S.A.  
INFORMS**

**BOGOTA D.C., APRIL 6, 2020.** - CEMEX LATAM HOLDINGS, S.A. (“CLH”) (BVC: CLH) informs that today CEMEX, S.A.B. de C.V. (“CEMEX”), parent company of CLH, in accordance with a decree issued by the Health Ministry of Mexico in response to the COVID-19 pandemic, it has temporarily halted production and certain related activities in Mexico until April 30, 2020.

CEMEX has maintained constant communication with the Mexican Federal Government in case there is an update in the decree to determine if any of CEMEX’s products or services is needed to ensure the continuity of essential activities as defined in the decree. The company would be ready to resume operations, meeting the strictest requirements of health and safety, if the federal authorities decide that the construction industry should restart earlier.

CEMEX’s commercial teams around the world are in constant contact with their clients remotely, effectively leveraging CEMEX Go, the company’s digital platform. Currently, 90 percent of CEMEX’s customers worldwide are already using CEMEX Go.

Given the uncertain duration, severity and global reach of the COVID-19 situation, the guidance 2020 previously announced by CEMEX and CLH, respectively, are no longer valid. CEMEX and CLH are closely monitoring the global COVID-19 pandemic and will provide an update during its first-quarter 2020 results call.
