**CEMEX LATAM HOLDINGS, S.A.**  
**INFORMS**

**BOGOTA, D.C. COLOMBIA. APRIL 13, 2020.** - CEMEX Latam Holdings, S.A. ("CLH") (BVC: CLH), informs that its indirect subsidiary CEMEX COLOMBIA S.A. ("CEMEX Colombia") communicated that it will resume certain operations starting on April 13, 2020, in compliance with the new disposals adopted by the National Government (Decree 531 dated April 8, 2020) to prevent the spread of COVID-19.

In particular, from April 13 to April 27, 2020, in accordance with the exception provisions contained in the aforementioned decree, CEMEX Colombia shall resume supplying construction materials and supplies for the execution of permitted infrastructure and civil work projects; such as transport infrastructure and public works (which is generally established as a new exception); those related to national emergencies and road damage; infrastructure projects that cannot be suspended, construction and civil work projects that because of their advanced stage or their characteristics not completing them would represent a technical risk; and projects related to the production of food, medicine and essential elements that are necessary to attend the COVID-19 pandemic, among others. As of today, CEMEX Colombia expects to be able to resume all its operations on a regular basis and to be able to supply its products and services to all of its clients once it is allowed to do so by the authorities.

For CEMEX Colombia, the preservation of the health of its employees, clients, suppliers and the entire population continues to be a priority. Therefore, CEMEX Colombia will remain committed to implementing all possible actions to preserve the safety and health of our employees and stakeholders, also complying with the guidelines contained in the Circulars No. 001, issued by the Labor, Housing, City and Territory Ministries, and No. 003, issued by the Health, Labor and Transport Ministries.
