INFORMS:

BOGOTA COLOMBIA. SEPTEMBER 7, 2020. - CEMEX Latam Holdings, S.A. ("CLH") (BVC:CLH) informs that its subsidiary CEMENTO BAYANO, S.A. ("CEMEX Panama"), in compliance with the new disposals issued by the National Government of Panama (Executive Decree 1036 of September 4, 2020), as of today will fully reactivate its operations, starting from September 7 to September 12 with the administrative and operational organization part to guarantee a healthy return and from September 14, fully reactivated, as the decree is ordering.

In order to safely start its activities, CEMEX Panama has implemented the guidelines for the return to normality established by local regulations and is complying with the internal protocols and policies defined by CEMEX at a global level for the management of COVID- 19. Likewise, those collaborators whose attendance at the company's facilities is not necessary for the development of their functions, will continue using the telework modality.

For CLH, the preservation of the health of its employees, customers, suppliers and the entire population remains a priority, as well as its commitment to continue contributing to the construction of a better future with the countries where it operates, contributing to economic growth, employment generation and social welfare of the region.
