#### **INFORMS:**

**BOGOTA, D.C., COLOMBIA. NOVEMBER 11, 2022** – CEMEX Latam Holdings, S.A. (“CLH”) (BVC: CLH) informs that CEMEX, S.A.B. of C.V. (“CEMEX”) (BMV: CEMEX.CPO / NYSE: CX), parent company of CLH, announced that on November 16, 2022, CEMEX will hold the CEMEX Day 2022. Starting at 7:30 a.m. (Central Time), Mexico), CEMEX will broadcast live a webcast presentation in which members of its management team will present an update on regional business, as well as its Climate Action, Digital and Growth strategies, and other related topics that may contain important information for the key audiences of CEMEX and its direct and indirect subsidiaries, including CLH and CLH operations. To register and learn more about CEMEX Day 2022, please visit <https://www.cemex.com/cemex-day-2022>.

While CEMEX does not expect any problems during the CEMEX Day 2022 video webcast presentation, you may experience technical difficulties or interruptions that may arise due to matters beyond CEMEX's control, including, without limitation, the use of certain methods for the video webcast presentation that CEMEX may not have used in the past.

However, all materials related to CEMEX Day 2022 are expected to be posted on the CEMEX website ([www.cemex.com](http://www.cemex.com)) and filed before the Mexican Stock Exchange and the United States Securities Commission.

*The information to be presented in the event referred to in this report contains certain statements about future conditions within the context of the securities laws, as applicable, which are necessarily subject to risks, uncertainties, and assumptions. CLH intends that these statements about future conditions be covered by the legal protection provisions for statements about future conditions in the securities laws, as applicable. These statements about future conditions reflect CLH's current expectations and projections about future conditions based on its knowledge of current facts and circumstances and assumptions about future conditions. Various factors, including, among others, those presented in CLH documents filed with the Colombian Stock Exchange, factors that are incorporated herein by reference, could cause CLH's current results, performance, or achievements to be materially different from historical results, performance or achievements or that the results, performance, and achievements are expressly or impliedly anticipated by the forward-looking statements. If one or more of these risks or uncertain factors materializes, or if the assumptions used prove incorrect, actual results could vary materially from historical results, performance, or achievements and/or results, performance or achievements expressly or impliedly anticipated by the statements on future conditions, or that in any way could have an impact on CLH or its subsidiaries. Any or all the statements regarding future conditions of CLH may turn out to be incorrect and the factors identified here are not exhaustive. Accordingly, undue reliance should not be placed on forward-looking statements, as such forward-looking statements speak only as of the dates on which they are made. These factors may be revised or supplemented, but CLH has no obligation, and expressly disclaims, to update or correct the information contained in this report or in any statement about future conditions that it may make, whether because of new information, future conditions, or any.*
